### EVENT ATM PLACEMENT

#### **How it works:**

Advanced ATM will deploy a MOBILE ATM complete with wireless connectivity to your Event or Venue. An Employee or Agent of Advanced ATM will monitor and manage ATM throughout your event to ensure ATM is working at all times. Connecting to onsite power is preferred, but we also have generators available if needed.

#### **Cash logistics:**

Advanced ATM will provide all cash for ATM during event and will have reserves available to ensure access to cash throughout the Event. Advanced ATM utilizes online software to manage ATM cash supply at all times. Other cash management options are available including your Event providing cash for the ATMs in return for a profit share. Please inquire about profit share details.

#### **Insurance:**

Advanced ATM carries full liability and comprehensive insurance coverage on all ATM equipment. The "Event" shall not responsible for any liabilities resulting from ATM being placed on site.

#### **AGREEMENT**

Advanced ATM agrees to provide Mobile ATM services as outlined above.

The "Event" \_\_\_\_\_ agrees to have Advanced ATM provide it's
